Financial Narrative For the Month Ended November 30, 2025

Prepared by: Finance Department

General Fund

- Revenues
 - Taxes are \$8,179,850 more than last year.
 - Current Year Property Tax is \$5,516,550 more than last year, a 17.1% increase. The millage rate increased from 9.164 mills to 9.500 mills, a 0.336 mill increase. In addition, timing of the Public Utilities taxes has impacted this positive variance.
 - The 2024 Public Utilities' billing was delayed until January 2025 due to the delayed receipt of values from the State of Georgia
 - For 2025, we have billed and collected 85% of the assessed value.
 - Prior Years' Property Tax is \$2,408,100 more than last year. City of Rome remitted 2024 excess TAD payments during May. Also, a large portion of the Public Utilities weren't received until April of this year (see explanation above).
 - Intangible Taxes have increased 10.6% since last year. This indicates that the dollar amount of loans acquired increased compared to last year. Not all loans are subject to Intangible Tax. Government loans, loans obtained through a credit union or loans with a life of less than 3 years are not subject to Intangible Tax. Refinancing loans also impacts this.
 - The Real Estate Transfer Tax increased from last year by 8.2% or \$13,300.
 However, the number of transactions has decreased by 121. Transfer tax is \$1 per \$1,000. This indicates real estate transactions have been for higher dollar amounts.
 - There is an increase in Sales Tax collections from 2024 of \$191,950 or 1.8%. This is down from the 5.6% increase reported in May, due to a taxpayer-initiated sales tax refund. The June sales tax distribution for May collections was reduced by \$113,000 for this refund. The Department of Revenue would release no information other than it was a taxpayer-initiated refund covering multiple years. The only other surrounding entity that appeared to be affected by this was Gordon County.
 - Motor Vehicle TAVT is \$150,450 more than last year, a 4.2% increase. The
 possibility of tariffs prompted the purchase of existing inventory earlier in
 the year. Also, sales tend to increase around this time of year because next
 year models are starting to be released.
 - Cable TV Easements continue to decrease and are down 12.7% from 2024, \$75,300. More people are cancelling their cable services and opting for internet streaming. Comcast is down 12.1%. Direct TV is down 21.8%.
 - Licenses & Permits is \$63,400 more than last year.
 - Licenses & Permits-Alcohol is \$11,250 more than 2024 collections. The recommended deadline for renewing licenses is November 1st with the final deadline being December 31st.

General Fund (cont'd)

- Revenues (cont'd)
 - Licenses & Permits-Banks is \$42,200 higher than this same time last year.
 This is a business license tax due March 1, 2025, and is based on gross receipts. United Community Bank filed amended returns for the years ending 2022 and 2023. Gross receipts were under reported by 2.5% in 2022 and understated 7.6% in 2023 resulting in an additional payment of \$36,700.
 - Licenses & Permits-COAM is \$8,000 more in 2025. We didn't begin collecting fees for coin operated amusement machines (COAM) until September 2024.
 - o Intergovernmental Revenue is \$249,650 more than last year.
 - State-Offender Rehab revenue is \$283,350 higher than 2024. The average number of inmates has decreased 1.8%. The subsidy went from \$24/day per inmate to \$30/day per inmate beginning in July 2025.
 - State-Federal Forest Contract is \$4,100 lower than in 2024. This year's
 deposit is less than last year's because the Secure Rural Schools (SRS)
 payment authority expired on September 30, 2023. Without its
 reauthorization, the Forest Service must follow the 1908 Act, as Amended,
 which generally results in lower payments to states.
 - o Charges for Services is \$336,900 more than in 2024.
 - Sheriff Fees & Services is \$23,550 more than in 2024.
 - Sheriff Boarding Inmates is \$28,000 less than in 2024.
 - Chattooga County Boarding Inmate revenue is down \$128,250 from 2024. The average number of inmates rose 11.1%. Payments for 3 months' boarding in 2023 are included in the 2024 amount.
 - Funds received from the Social Security Administration have decreased 16.7% compared to 2024, a decrease of \$6,700.
 - Revenue from US Marshals is down from 2024. When Federal court cases are held in Atlanta rather than Rome, inmates are being held at facilities more closely located to Atlanta. Inmates have been housed only three months in 2025.
 - Payments from Haralson County are \$12,950 less than 2024. No inmates have been housed in 2025.
 - Payments from ICE have increased \$57,950 compared to November 2024.
 - The City of Rome payments have decreased \$15,350, a 13.3% drop.
 - In October of 2024, we began housing inmates for Murray County. This year, we have received \$39,600.
 - The State of Georgia has paid the Sheriff's office \$50,000 this year.

General Fund (cont'd)

- Revenues (cont'd)
 - Inmate Contracts in total are \$137,350 higher than 2024.
 - A new contract for the Forum River Center, now owned by the City of Rome, was added in 2023. Finance was not aware of the inmate crew until the end of 2024. The City of Rome was billed for the crew for 2023 and 2024 in December 2024.
 - Tax Commissioner-TAVT Administrative Fee is 5% more than the amount for 2024.
 - The average monthly amount collected in 2024 was \$15,300 and in 2025 is \$16,050.
 - Tax Collection Commissions rose \$172,170 or 13.6%.
 - For motor vehicles, a TAVT administrative fee is received rather than a commission. Commissions are received on other taxes collected by the Tax Commissioner. These commissions have increased 13.8% since 2024. Commissions are also received from the Clerk of Superior Court. These commissions have increased 9.5% compared to 2024.
 - Clerk of Court Charges for Services increased by \$30,800 when compared to 2024. This is an 6.7% increase.
 - Copies have increased \$7,150 since October 2024. Part of this variance is due to receiving payment for copies for 2024 in 2025.
 - Advance Deposits are up \$6,050 from last year. Advance deposits are the County's portion of the filing fee for a new case.
 - Other Fees have increased \$8,500 when compared to 2024.
 Examples of this revenue include UCC filings and bond forfeitures.
 The portion relating to bond forfeiture has increased \$9,400.
 - All other charges increased by a total of \$9,050 compared to 2024.
 - Probate Court Charges for Services increased \$700 from 2024, rising 0.6%.
 - Estate revenues increased 2.7% or \$2,450. This revenue is derived from the number of wills probated. The fee schedule is not dependent on the size of the estate, but different petitions do have different fees. For example, guardianships have a fee of \$450 as opposed to other petitions that are around \$180. The number of filings increased 3.8% and the amount paid increased 17%.
 - Miscellaneous revenues are down 14.9% compared to 2024, but only by \$2,650. Miscellaneous revenue is made up of firearm permits. The state passed legislation on March 13, 2022, that rescinded the need for a concealed weapon carry permit. Probate officials report that some people are still getting them to cross state lines and to speed up the process when purchasing a firearm.

General Fund (cont'd)

 - In July 2024, the amount charged per case increased to cover services fees.
 - City of Rome-Booking Fee is \$6,450 more than in November 2024.
 - In May of 2024, the booking fee went from \$15 to \$25.

 - Drug Abuse & Treatment Fines are up 12.6% compared to 2024. This is an increase of \$8,900.
 - Miscellaneous Revenue is down 65.2%.
 - Telephone Commissions have not been received this year.
 - In the past, we received a prepaid commission of \$885,000 annually and budgeted \$820,000 for this in 2025.
 - Initially, there was an FCC ruling that eliminated telephone commissions from inmates.
 - We recently learned that ruling has been stayed until 2027, and we should begin receiving these commissions again. We have received \$150,000 as prepayment for 2026.

Facilities Management is 9.9% above the YTD budget.

- Supplies is 15.9% more than annual budget.
- Gas & Oil is 22.3% more than the annual budget.
- Small Tools is 21.2% more than the annual budget.

General Fund (cont'd)

- Expenditures
 - The costs for several buildings are higher than the YTD budget, ranging from 5.9% to 131.2%. Preparations are being made in anticipation of departmental moves to new locations to renovate older spaces. The charge for telephone lines identified as POTS lines also impacts expenditures. These lines are now considered obsolete, and the phone company is charging higher rates to remain on these lines. We are in the process of switching out the lines for a more economical option.
 - o Victim Witness Program is 14.5% more than the annual budget.
 - Two grants have been awarded for the Victim Witness Program. Three
 quarters of 2025 reimbursements have been received so far this year from
 the Office on Violence Against Women and is 52.2% of the amount
 budgeted. Only payments for two quarters of the grant awarded from the
 Victim of Crime Act have been received and is 46.3% of the budgeted
 amount.

 - o Transportation for Seniors is 22.6% above the annual budget.
 - Gas & Oil is 2.2% more than the YTD budget.
 - Repair & Maintenance is twice the annual budget. The vehicles used by Coosa Valley Regional Services have had repairs. Three of the vehicles are 10 years old. This will be adjusted with the final budget revision.
 - o Economic Development is 45.8% higher than the annual budget.
 - A payment of \$148,630 was made to Greater Rome CVB for prior years' hotel motel tax collections. These funds were previously unable to be spent on Forum promotions due to COVID-19 and transfer of ownership of the facility to the City of Rome.
 - Bond Proceeds of \$8,100,000 were received for the Tax Anticipation Note (TAN) issued in August. The TAN is scheduled to be repaid December 19, 2025.
 - Transfers Out is 2.6% above the YTD budget.
 - Jail Surcharge and ARPA Space Needs funds were not budgeted for General Fund Transfers to Capital Projects. This should be corrected with the final budget revision.
 - Total Budgeted Expenditures are 4.2% below the YTD budget.

General Fund (cont'd)

- Fund Balance
 - For 2025, the General Fund has increased its fund balance by \$13,119,709 compared to a decrease of \$1,663,064 for 2024, a positive variance of \$14,752,773.
 - Without the TAN, the increase to fund balance would be \$5,019,709. Compared to 2024, this is a positive variance of \$6,652,772.

Fire Fund

- Revenues
 - o Taxes are \$1,390,650 more than this time last year.
 - Property Taxes Current Year are \$514,650 more.

 - Railroad Tax has not yet been received for 2025.
 - Penalties are \$5,300 more.
 - Real Estate Transfer Tax is \$2,150 more.
 - See explanations in the General Fund for the above revenue categories.
 - Insurance Premium Tax is \$615,550 more.
- Expenditures
 - Total expenditures increased by \$1,258,850 due to pay increases for firefighters at the City of Rome and City of Cave Spring.

E911 Fund

- Revenues
 - Total Revenues are 1.3% below the YTD budget and \$32,800 less than 2024.
 - Charges for Services are \$31,350 less.
 - Prepaid fees are \$19,650 less.
 - Landline fees are \$45,950 less.
 - Per the Georgia Emergency Communications Authority (GECA), there is a statewide trend of declining revenue payments for prepaid wireless and landline services due to two major trends: a steady drop in prepaid wireless subscriptions (from 23.4% of the market in 2012 to 14.1% in 2023) as consumers shift to more economical contract plans, and a sharp decline in landline usage (from 4.1 million in 2013 to 2.4 million in 2023). Together, these shifts have

E911 Fund (cont'd)

Revenues (cont'd)

significantly reduced the fee base for 911 funding, with landline losses alone equating to about \$30.6 million in statewide annual revenue over the past 10 years.

Wireless fees are \$34,550 more.

Expenditures

- o Total Expenditures are 8.1% below the YTD budget and \$17,400 less than 2024.
 - Salaries and Benefits are \$12,700 less than last year and 10.1% below the YTD budget due to the timing of the Pension Expense. This expense was recorded for 2024 in November. For 2025, this expense will reflect in December. The pension expense increased by \$7,700 compared to the prior year.
 - Other Operating Costs are 4.6% above the YTD budget due to the timing of mostly annual expenses, but \$11,550 less than last year.
 - Repairs and Maintenance is 8.3% above the YTD budget and \$6,100 more than last year.
 - The \$87K annual payment for Tritech Software, used for E-911's daily operations, includes a \$4,000 increase from 2024.
 - The \$16K annual maintenance contract for Sound Communications, E-911's phone and radio recording system, stayed consistent in pricing from 2024.
 - In 2025, a maintenance expenditure of \$4,890 was allocated for battery replacements at the E-911 center, as these components had not been serviced since 2017. Regular maintenance of battery backup systems is crucial to ensure their reliability during emergencies. This contributes to the variance from prior year.
 - In March, the semiannual required console cleaning occurred at a cost of \$3,400, staying consistent in pricing from 2024. The second cleaning occurred in September.
 - Telephone expenses are 7.2% above the annual budget due to unbudgeted monthly charges for Windstream and Verizon. A budget transfer has been requested.
 - Underutilization of the Supplies, Dues & Subscriptions, Travel & Training, Equipment, and Legal Fees accounts has contributed to the \$11,550 decrease in spending compared to the prior year.

800 MHz Communication Fund

- Revenues
 - o Total Revenues are 7.8% below the YTD budget but \$268,000 more than 2024.
 - For the first time since the communication towers' inception, user charges
 were increased. Access to the system is set at \$41 per radio, a measure
 aimed at funding required maintenance as the towers near their tenth year
 of operation. Additionally, each quarter departments are given the
 opportunity to request additional radios or reduce their existing inventory,
 and these adjustments contribute to variances from the budgeted
 amounts.

Expenditures

- o Total Expenditures are 9.6% below the YTD budget but \$58,400 more than 2024.
 - A prior-year correction reduced 2024 expenses by \$28,000, creating the majority of this variance. Without that adjustment, higher Williams Communication pricing would have produced a variance about \$10,000 greater than last year.
 - Tower Costs account for the additional \$32,150 variance, driven by several significant repairs this year, including beacon replacement, lightningrelated camera repairs, bulb and base replacements, and transfer switch work.

Emergency Management Fund

- Revenues
 - o Grant revenue for EMA will be received later in the year.
 - o In October, we received an \$11,000 donation from Georgia Power that was used to purchase a drone for Emergency Management operations.
- Expenditures
 - Total Expenditures are 16.1% below the YTD budget and \$14,700 less than 2024.
 - Salaries and Benefits are \$19,100 less than 2024 and 7.1% below the YTD budget due to the timing of the Pension Expense. This expense was recorded for 2024 in November. For 2025, this expense will reflect in December. The pension expense increased by \$5,090 compared to the prior year.
 - In 2025, EMA was tasked with updating its Hazard Mitigation Plan, which
 accounts for the increase in Other Operating Costs from the prior year. This
 update is only required once every five years and will be reimbursed
 through state and federal grant funding.
 - Gas & Oil is 15.9% above the annual budget due to an increase in travel. A budget transfer has been requested.

- 800 MHz Radio Maintenance is 12.4% above the annual budget. EMA returned several radios in Q3, which will reduce costs for the remainder of the year. A budget transfer has been requested.
- A new Emergency Operations Center (EOC) maintenance account has been added to EMA without an allocated 2025 budget causing it to appear over budget. This account will capture all repair cost invoices that were previously charged to the General Fund. At the end of the year, a portion of these costs will be billed to the City of Rome.

Solid Waste Fund

- Revenues
 - Taxes increased \$308,850 when compared to 2024.
 - Property Taxes Current Year is \$204,600 more.
 - Property Taxes Prior Years is \$91,500 more.
 - Recording Intangible Tax is \$1,450 more.
 - Motor Vehicle TAVT is \$11,300 more.
 - Penalties and Interest is \$2,000 more.
 - See explanations in the General Fund for the above revenue categories.
 - o Interest Earned is \$2,450 more when compared to 2024. The average account balance has increased; however, the interest rate earned on that balance has decreased.
- Expenditures
 - Total Expenditures are \$30,750 more than 2024 but 15.5% below the YTD budget.
 - Salaries & Benefits is 27% under the YTD budget but \$29,850 more than 2024.
 - It is under budget due to the resignation of the Solid Waste Director at the end of May. This position has been filled with an interim director at interim pay.
 - The increase compared to 2024 is due to a vacation payout for two employees and a change to the Solid Waste Director's pay. In prior years, the Solid Waste Director's pay was split between Public Works and Solid Waste. For 2025, this salary is fully funded by Solid Waste.
 - Utilities is 1.5% above the YTD budget and \$1,300 more than 2024. This is due to a Georgia Power rate increase in December 2024.

Stadium Maintenance Fund

- Revenues
 - Total Revenues are comprised of Miscellaneous Income and Interest Earned.
 - Interest Earned is 37.4% above the annual budget but \$550 less than 2024. While interest rates are lower, there is a higher balance earning interest.

Stadium Maintenance Fund (cont'd)

- Revenues (cont'd)
 - Miscellaneous Income is comprised of the following, which we received in October:
 - Rome Emperors Capital Contribution of \$30,000.
 - Stadium Naming Rights of \$24,955.
- Expenditures
 - Repairs and Maintenance is 84.4% below the YTD budget and \$39,800 less than 2024. Major renovations were performed through 2017 SPLOST in 2024 and through the beginning of 2025.

Water Fund

- Revenues
 - Charges for Services is \$746,200 more than 2024, and 4.6% above the YTD budget.
 - Consumption reports show a 10.6% increase in residential usage and a 2.2% decrease in commercial usage compared to last year.
 - Residential usage for this month has increased significantly due to the warmer weather this summer and fall and more users on the system.
 - Decreased commercial usage is due to large companies like Ball Corporation and Plant Hammond reducing their water consumption. Also, Berry College stopped purchasing water in April 2024.
 - On April 1st a 15% water rate increase went into effect.
 - Water Meter Charges have increased \$223,500 from 2024. This is due to two major subdivisions being built in the area and ongoing work with the meter change out program.
 - Penalties and cut offs are up \$15,150 from 2024. In March 2024, we waived fees due to the delay in the postal system.
 - o Operating Revenues are 5.1% above the YTD budget.
- Expenses
 - Administration Repairs and Maintenance is 4.7% over the annual budget and \$5,900 more than 2024 due to a roof repair made to the drive thru of the building. A budget transfer has been requested.
 - Administration Data Processing is 3.8% over the YTD budget and \$7,900 more than last year. This is due to returned check processing fees from our online payment system. These include invoices from 2024 that were received in 2025.
 Also, Delta Municipal Supply increased from 2024 for annual meter and system monitoring.
 - o Total Administration Expenses are 1.2% below the YTD budget.

- Expenses (cont'd)
 - Distribution Repairs & Maintenance Vehicles is 7.9% over the YTD budget and is \$19,700 more than 2024. This is due to two transmission replacements in two different vehicles. There have also been a few accidents this year that were no fault of the County that vehicles had to be repaired.
 - Distribution Water Purchased is 16% over the annual budget and is \$229,750 more than 2024. This is due to more residential water usage and our Treatment plant being down for 10 months for the chemical conversion. Also, City of Rome and City of Calhoun had a rate increase between 5% and 5.5% each.
 - Distribution Radio Maintenance is \$4,095 more than 2024 due to an increase in radio maintenance costs.
 - o Total Distribution Expenses are 5.6% above the YTD budget.
 - o Treatment Chemicals is 40.2% below the YTD budget and is \$14,050 less than 2024. This is due to chemical feeders being added to some of the treatment plants. We have also switched from using granular chlorine to liquid chlorine with these feeders. This is an ongoing project and once finished it will cost less in the long run for chemicals and maintenance. Also, one of the plants was down for a few months due to a full upgrade of equipment for the chemical conversion. That plant is now back online.
 - We have budget savings in Office Supplies, Uniforms, Travel & Training,
 Equipment, Utilities, and Postage that have helped contribute to the overall expenses being below budget.
 - Total Treatment Plant Expenses are 22% below the YTD budget.
 - o Total Operating Expenses are 1.1% above the YTD budget.

Airport Fund

- Revenues
 - Fuel Sales are \$162,550 less than 2024 and 1.1% below the YTD budget. This decline is largely due to the extended closure of the main runway for construction, which limited aircraft operations to a shorter runway without lighting during nighttime or low-visibility conditions. Higher than normal rainfall and storms throughout the first half of the year further reduced airport traffic and fuel purchases. The decrease in fuel purchases offsets the decline in fuel sales revenue by reducing cost of goods sold.
 - Avgas Revenue is \$13,350 less.
 - Self-Serve Revenue is \$19,050 less.
 - Jet Fuel Revenue is \$131,750 less.
 - Although jet fuel sales were expected to show improvement, they were significantly affected by the Blue Angels' absence from this year's Wings Over North Georgia Airshow due to the government shutdown.

Airport Fund (cont'd)

- Revenues (cont'd)
 - Rental Fees are \$19,800 more than 2024 and 14.9% over the annual budget due to an increase in new tenants and CPI increases to rental contracts.

 - Total Operating Revenues are 4.4% above the YTD Budget.

Expenses

- Supplies are 6.6% above the annual budget due to a restock purchase of cleaning and restroom supplies meant to last the remainder of the year. A budget transfer has been requested.
- Bank Charges are 11.4% above the annual budget as a result of increased Positive Pay fees. A budget transfer has been requested.
- Credit Card Processing is 21.4% below the YTD budget, reflecting the decrease in fuel purchases during 2025, resulting in fewer credit card transactions.
- Dues & Subscriptions are 0.8% above the annual budget due to the timing of invoicing for these annual subscriptions. A budget transfer has been requested.
- Data Processing is 3.4% above the YTD budget due to the annual subscription for CivicPlus, which hosts and manages the Airport's municipal code and online services, and a deposit on Revize, the Airport's new website platform that provides one year of development, hosting, and maintenance.
- Utilities are 2.1% above the annual budget due to an increase in rates from Georgia Power in December 2024 and increase of usage. A budget transfer has been requested.
- Lower-than-expected spending across multiple smaller budget categories, including Office Supplies, Credit Card Processing, Advertising, Equipment Lease, Small Tools, Telephone, Postage, Food and Beverage, and 800 MHz Radio
 Maintenance has driven the overall variance in expenses. Some of these lines will be utilized before year end.
- Total Operating Expenses are 17.3% below the YTD budget.

Recycling Fund

- Revenues
 - Operating Revenues are 16.5% under the YTD budget and \$37,750 less than 2024.

 - Miscellaneous materials have decreased \$550.
 - Intergovernmental Revenue is \$130,750 more than 2024. This includes transfers from the City of Rome and the Solid Waste Commission to cover the operational deficit. This amount will be larger for 2025 due to a correction to how the lease expense was accounted for in prior years.

Expenses

- Total Operating Expenses are 0.9% over the YTD budget and \$32,950 more than 2024.
 - Facility Rental is \$42,850 more than 2024 due to an accounting change. In prior years, this expense was recorded as a reduction in a balance sheet liability account rather than as an expense.
 - Depreciation is \$14,300 more than 2024 due to the Allegheny Shredder added in December 2024.
 - Utilities are 6% over the YTD budget and \$1,550 more than 2024. This is due to a Georgia Power rate increase in December 2024.

Animal Control Fund

 - Interest Earned is over five times the annual budget and \$4,900 more than 2024 due to a higher balance earning interest.
 - Donations are down \$137,800 from 2024, primarily due to a \$90,000 estate donation received in August 2024, along with fewer public donations and the absence of fundraisers this year.

Expenditures

- Total Expenditures are \$94,400 less than 2024 and 10.7% below the YTD budget.
 - Salaries and Benefits are \$144,900 lower than 2024 and 2.5% below the YTD budget, primarily due to a combined \$96,600 decrease in Workers' Compensation and Health Insurance costs, as well as the timing of the

Animal Control Fund (cont'd)

Expenditures (cont'd)

Pension Expense. In 2024, the pension expense was recorded in November; in 2025, it will be recorded in December. The pension expense increased by \$2,750 compared to the prior year.

- Other Operating Costs have increased \$50,500 compared to 2024 but are 21.9% below the YTD budget. The following lines will be monitored and budget transfers requested if needed.
 - Supplies are 1% above the annual budget due to supply orders needed for year end and the purchase of two desk phones.
 - Credit Card Processing Fees are 6% above the annual budget due to a timing difference. In 2025, there are twelve processing fees instead of eleven, though monthly costs remain consistent with 2024.

 - In-House Medical is 22.8% above the annual budget. This increase is attributed to a rise in animal intakes and an approximately 20% increase in veterinary supply costs.  - Utilities are 0.7% above the annual budget due to price increases and increased usage from prior year. A budget transfer has been requested.
 - Telephone is 7.3% above the YTD budget due to underbudgeting of Comcast and Windstream for 2025.
 - Underutilization in Dues & Subscriptions, Gas & Oil, Legal Fees, Postage, Spay & Neuter, and Microchips accounts for expenses being 21.9% under YTD totals.

Rome-Floyd Parks and Recreation Authority

- Total Revenues are \$176,000 more than 2024.
- Total Expenditures are \$98,800 more than 2024.
- Administrative Operations has a net expense of \$979,750, down from \$1,041,800 in 2024. Salaries and Benefits increased by \$79,050, reflecting a 5% increase in administrative salaries, along with a \$41,900 increase in health insurance costs for all Recreation employees. These increases are more than offset by a significant decrease related to the timing of the pension expense, which was recorded in November 2024 and will be recorded in December 2025. Additionally, the implementation of the pay study in October resulted in salary adjustments. The following lines will be monitored, and budget transfers will be requested if necessary.

Rome-Floyd Parks and Recreation Authority (cont'd)

- Transaction Fees are 43.3% above the annual budget due to a timing issue. There
 are twelve months of fees instead of eleven in 2025, as well as an overall increase
 in fees from Clover due to increased revenue processing. A budget transfer has
 been requested.

- Utilities are 10.3% above the annual budget due to increased pricing and usage for water and electricity. The City of Rome implemented a 5.5% increase in water and sewer rates in 2025, and Georgia Power implemented a 3% rate increase in December 2024, contributing to higher overall utility costs.
- Telephone is 20.8% above the annual budget due to the underbudgeting of Verizon accounts for this department.
- Other Programs has a net revenue of \$75,400 compared to a net revenue of \$44,000 in 2024.
 - o Total Revenue is up \$42,350 from 2024.
 - Although Ice Rink gate admissions decreased by \$12,000 in 2024–2025, local schools were offered field trip packages that included boxed lunches, generating an additional \$11,250 in revenue. These field trip packages will continue to be offered during the 2025–2026 season. Ice rink sponsorship revenue also increased by \$12,000 compared to 2023–2024. In November, a portion of the total \$38,000 in 2025–2026 Ice Rink sponsorship revenue was recognized.
 - Due to an increase in participants and a \$5.00 increase in road race fees, revenue for the Leprechaun-A-Thon and Paper Doll Parade increased by \$9,650 compared to 2024.
 - Total Expenditures are \$11,000 more than 2024 largely due to an encumbrance for the New Year's Eve fireworks earmarked earlier in 2025. This expense is comparable to 2024 and fully covered by Atrium Health as part of their annual event sponsorship.
- Gymnastics has net revenues of \$145,850, compared to \$129,400 in 2024.
 - Revenues are \$16,250 more than 2024 due to increases in Instructional Fees and Team Fees. Camp Revenue is comparable

Rome-Floyd Parks and Recreation Authority (cont'd)

in 2024 and 2025. Instructional Revenue is also comparable and reflects a true increase of approximately \$8,000. Decreases in Camps, Field Trips, and Rentals reflect both this reclassification and lower activity levels compared to the prior year.

- Expenditures are \$150 less than 2024 due to increased Salaries and Benefits, offset by lower equipment purchases and fewer competition entries in 2025.
- Concessions have net revenue of \$82,700, a decrease of \$9,850 compared to 2024.
 - Total Revenues are \$13,850 more than 2024. Since reopening after the turf installations, Alto Park has seen a rebound in revenue comparable to 2024.
 - Total Expenses are \$23,700 more than 2024 due to an increase in part-time staff for tournaments and purchases for beverage and food resale.
- Coosa River Trading Post has a net revenue of \$24,800, down from \$55,500 in 2024.
 - Total Revenues are \$31,300 less than 2024, driven by decreases across all revenue sources. The most significant decline is in Camping Rentals, which are down \$25,400 from the prior year due to the loss of long-term camping rentals.

The decrease reflects the jamboree being fully hosted at the Recreation fields in 2024, compared to shared hosting with the Boys & Girls Club in the current year.
 - Total Expenditures are \$18,850 more than 2024 due to an increase in Supplies and Awards required to support higher participation levels. Additionally, the officials' contract was paid earlier in 2025 than in 2024 causing a variance of \$17,900.
- Parks and Recreation Services has a net expenditure of \$1,156,900, an increase of \$54,350 compared to 2024, due to higher costs in Salaries and Benefits, Supplies, and Utilities.
 - Total Revenues are up \$8,700 from 2024 due to an additional \$6,000 in advertising revenue from signs at Alto Park and a donation from the Georgia Power Foundation for shade structures to be installed at the park.
